3. Please list your **primary extracurricular activities since 9th grade, in or out of school.** You will have further opportunity to complete a more comprehensive activities resume at a later time; for the initial college meeting, simply indicate your main extracurricular interests.

4. Please list any academic, extracurricular, community awards, or leadership positions you have received (captaincies, tour guide coordinator, prefectures, club officer, etc.)

5. Please list any civic, volunteer, or religious activities in which you are or have been involved outside of school.

6. How have you spent the past two summers?

7. What are your plans for this summer?
8. What have been the most rewarding and least rewarding aspects of your Loomis Chaffee career and why? Of what accomplishment are you most proud?
9. Describe yourself by listing a series of adjectives and elaborating on two or three. How do you perceive your strengths and weaknesses? (For example - Are you a leader? Do you make friends easily? Are you confident, aggressive, competitive, reserved, outgoing, active, passive?)
- 10a. What do you think your academic strengths and weaknesses are? What subject areas/classes have you most enjoyed? Least? Why? What has been your most stimulating intellectual experience?
- 10b. If you could study any topic independently or to greater depth, what would it be? Why?
11. How would you characterize your academic career here? (Have you challenged yourself? Have you always worked up to your ability? Has your record been a consistent one? An improving one?)
- 12a. If you came to Loomis after freshman year, what were your reasons for leaving your former school (academics, athletics, boarding, etc.)?
- b. If you repeated a year when coming to Loomis or while at Loomis, please explain your reasons for doing so.
13. Have you been placed on Level II at any time in your Loomis Chaffee career to date? If yes, why?
14. Please indicate the names of your parents, their professions, and, if they went to college, where they attended.
15. Please indicate the names and ages of your siblings (if applicable).
- 16a. Are there any special circumstances in your family or personal life of which you would like us to be aware (medical history, learning disability, unique or change in family situation, etc.)?
- b. Is a language other than English spoken regularly in your home?
Are you fluent in that language?
- c. Are you a citizen of a country other than the United States?
17. What are your parents' expectations of you in the college process? Do you feel little, some, a lot of parental pressure?
18. Are there any other questions you wish we had asked you? What else do you want us to know about you?

SECTION II

Right now your exposure to colleges is limited so you may experience some difficulty with certain categories. That is quite natural. We ask only that you do the best you can in completing the form. In responding, keep in mind that we are not asking you to describe a specific college, but rather the characteristics you find most desirable in an ideal learning environment.

1. Have you considered or might you consider doing something else for a year before going to college? If so, what kind of activity/schooling might interest you?
2. Where would you like to attend college? **Bold** all that apply.

Northeast (New England plus New York)
Middle Atlantic (NJ, PA, MD, DE, DC)
